

Field Trip Factory CONSENT FORM

Dear Teacher:

To facilitate your field trip to the *ComEducation Center* at the Rockford Training Facility, through the Field Trip Factory, we have prepared the following Consent Form. One week prior to your field trip, you are instructed to reproduce the Consent Form and pass it out to students attending the field trip so that their parent(s) or legal guardian(s) can sign and return it. You must bring all signed Consent Forms with you to the *ComEducation Center*. When you call to confirm your field trip, be prepared to let the Field Trip Leader know if there are any students in your group who should not be included in potential photographs, films or recordings for promotional displays, media coverage or social media.
